Connected.

Built from
experience.

15+ Years

of practical early years experience

Our ideas are developed from within operating education environments. Practice gives us insight, people give us purpose and technology gives us the ability to scale.

- Operational experience
- SEND and inclusive practice
- Workforce development
- Responsible technology
- UK and GCC ambition

Early Years Education & SEND

Delivered through Smart Kids Nursery

Smart Kids Nursery brings together quality early years education, inclusive practice and real-world experience to help every child develop, belong and thrive. With SEND embedded from the beginning, our practice continues to shape how we improve education, people and systems across ASKN.
